

# Kandinsky Inspired Abstract Expressive Artwork

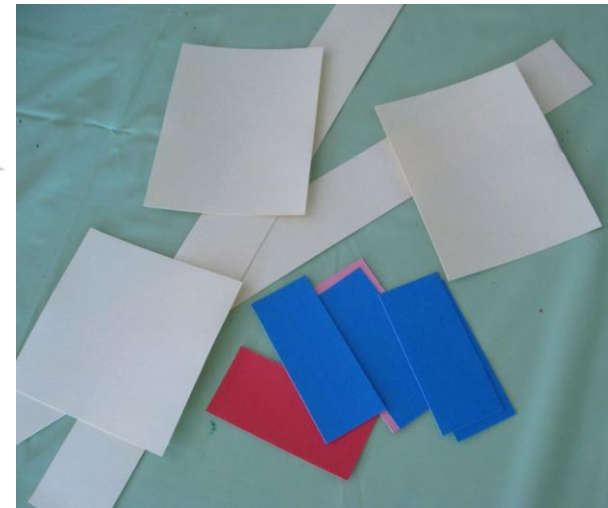

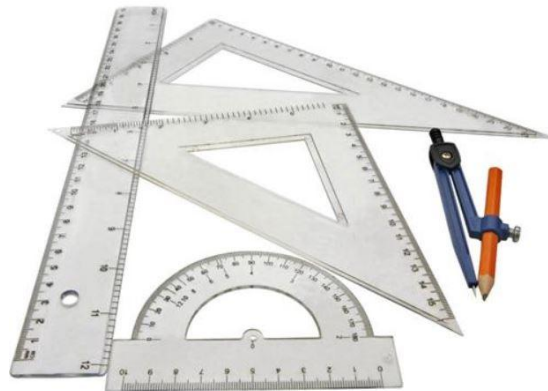

Using Your  
Choice of  
Material  
for Colors

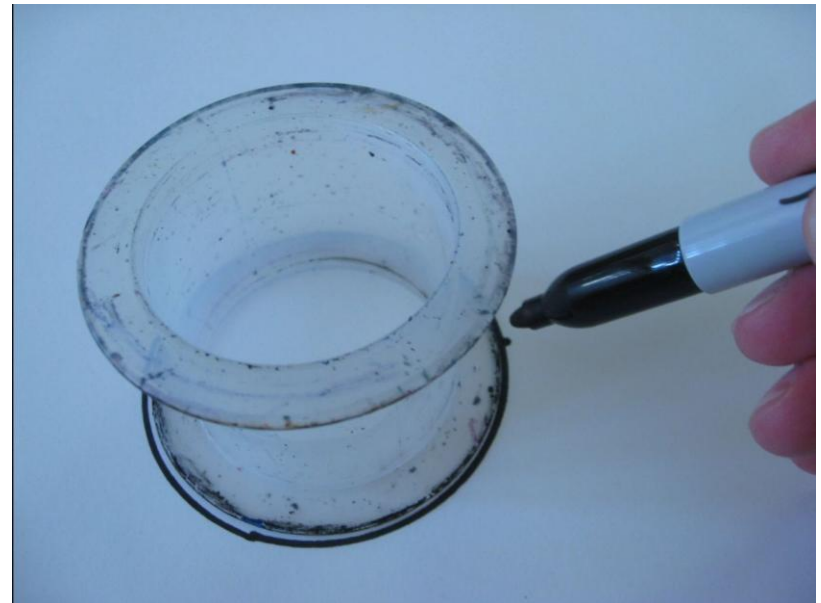

# Step 1- Gather Materials

- Things you can trace to make circles, rectangles, triangles, straight lines, curved lines, etc.
- 1 piece of the best white paper you have.
- A black marker, crayon, or colored pencil

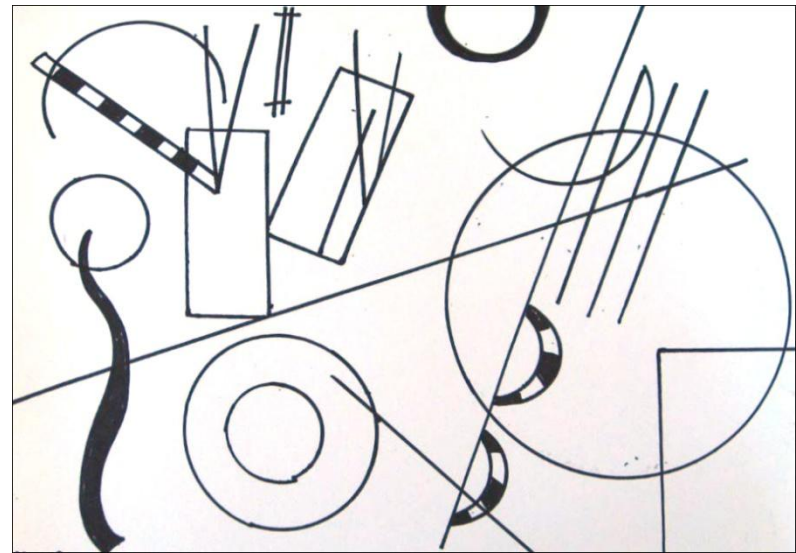

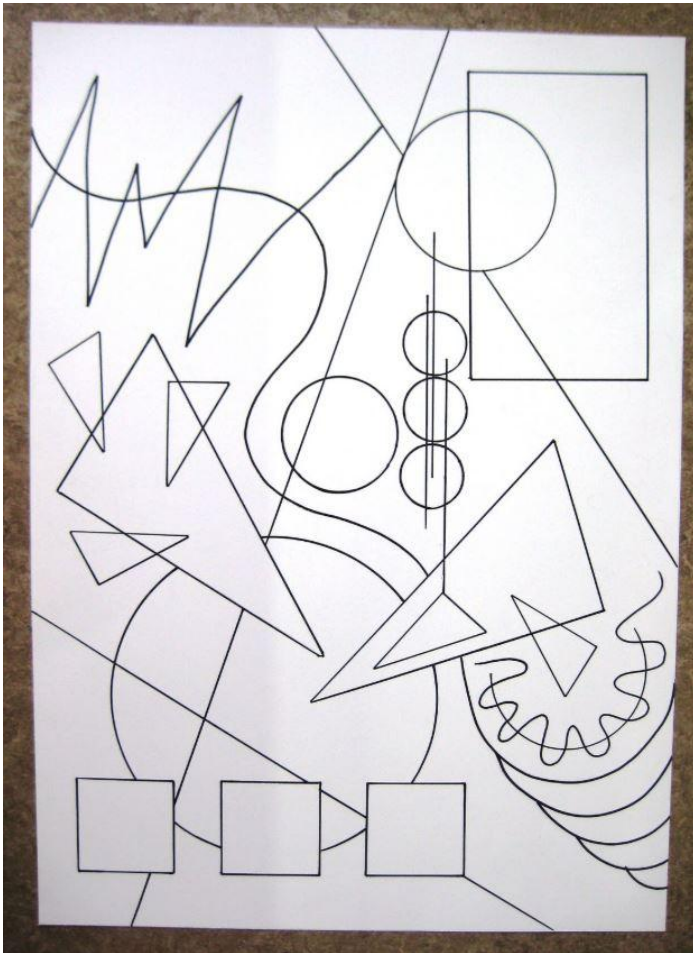

# Step 2- Trace Items to Create Design

- Make sure your design is similar to Kandinsky's style
- Make sure your design is abstract (no objects or people)
- Listen to music as you work (see links on website)
- Use black to draw lines. This can be with a marker, crayon, or colored pencil. If you plan to use watercolors, don't use a water based marker (a permanent marker would be fine.)
- Look at the examples on the next page before you start.

# Example Designs:

EMAIL YOUR LINE DRAWING TO ME AT [elana.brownfield@lisbon.k12.oh.us](mailto:elana.brownfield@lisbon.k12.oh.us) before you start coloring. This will be for a progress grade.

# Step 3- Start to Color to Your Design

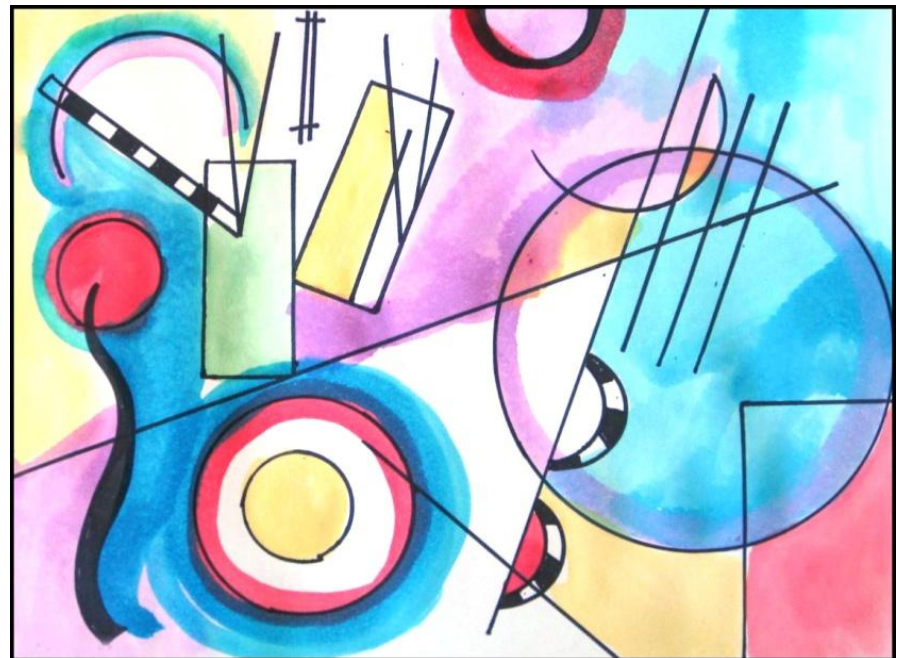

- Choose the art material you will use: markers, crayons, oil pastels, colored pencils, watercolor paint, etc.
- Color or paint your design with bright colors
- Listen to music while you work like Kandinsky
- Try to use expressive colors and make them gradually change from one color to another in areas.

# Step 4- Complete Your Coloring

- Finish coloring or painting your design.
- Continue to listen to music while you work

# Upload to Artsonia with the app

- The last thing you need to do to turn in your project is to upload it to Artsonia with a title and Artist Statement by following the directions on the website
- Our school code is **RNJJN-FBMJ**
- Do NOT upload it to your parent's account
